15. Head of Agricultural Engg. Deptt., Haryana Agriculture University, Hisar	.. Do
16. Director, National Institute of Hydrology, Roorkee	.. Do
17. Director Water Resources, Irrigation Deptt., Haryana	.. Do

The committee would be responsible to :—

- (i) Assess the availability of hydrologic data covering all phases of hydrologic cycle in the State for rational assessment of water resources and their utilisation and to plan for a coordinated expansion, if necessary.
- (ii) Identify areas in the field of hydrology where research and development activities would be more beneficial in consultation with HIL TECH i.e. High Level Technical Committee on Hydrology (INCOH i.e. Indian National Committee on Hydrology) or premier research organisation, in the concerned area giving due consideration to the geographical hydrological, social and developmental needs of the State (for example, a State in the Western Ghats) may identify rainfall variation with orography as a priority research area while a State in semiarid regions may consider research on hydrological droughts as a priority basis.
- (iii) Encourage institutes within the State to take up research and development activities in hydrology, if necessary join with the premier national organisations preferably in the areas of national interest identified by the HIL TECH (INCOH) or in the priorities areas identified by the SCH i.e. State committee on Hydrology.
- (iv) Assess educational facilities in hydrology within the State and recommend the needs of improvement to HIL TECH (INCOH).
- (v) Assess, identify and quantify the need of the State for training of personnel in different aspects of hydrology and coordinate with premier research organisations for making the training facilities available.
- (vi) Provide a forum for exchanging information about operational work being done by different agencies in the State in the field of hydrology and disseminate the same to other State for mutual benefits.
- (vii) Coordinate the work with the work of HIL TECH (INCOH) and take technical guidance from it on various problems concerning hydrology in the State.

The Headquarter of the Committee will be at Chandigarh and it will meet once in 3 months or earlier if felt expedient and the expenditure will be met from the sanctioned Budget of Haryana Irrigation Department. Chargeable to the Head "4701 Major and Medium Irrigation Plans (Works)". This is issued as per Finance Department advice conveyed by their U. O. No. 73/13/ 93-5FICW 166/93, dated 19th July, 1993.

J. K. DUGGAL,

Financial Commissioner and Secretary to Government, Haryana,
Irrigation and Power Department, Chandigarh.
